THE GREAT PUMPKIN HUNT STARTS!! Here is your clue.

After roasting your marshmallows by your campground camp fire, its time to leave for a hike on a trail quite desired. Lace up your boots and head toward a trail named for a flower with more than one lip, but don't go too far, it's only a short trip. Soon your trail will run into another, you'll be on your way to our Halloween plunder! The trail will be scenic, and graveled nice and smooth, but to find our hidden pumpkin, you'll have to be quite a sleuth! Keep your feet moving along as you go on your way, if you stumble onto the parking lot you've gone the wrong way! Our pumpkin is hidden in a farm lost in time, so peak around quietly as you look all around. Look in a place where the sun doesn't shine, where you might say **P.U** if you wait long in line! Keep quiet and don't say a word if you find our hidden treasure, its location is still secret for those who hunt at their pleasure. **Thanks again for coming our way; we hope you enjoyed your O'Bannon Woods stay!**
